Membership Information & Application for Membership

Who are we?

The *San Francisco Neurological Society* is an organization of physicians with a dedicated interest in the clinical practice and research in the neurosciences. The Society is committed to the professional development and continuing medical education of its members and has been since its inception.

What does SFNS offer to its members ?

Members benefit from their involvement in continuing medical education (CME) meetings, by networking with their peers and through the exchange and dissemination of information regarding the neurosciences. Other tangible Member benefits include:

- An \$80 discount off registration fees to the **63rd Annual Meeting of the San Francisco Neurological Society, Portola Hotel & Spa Monterey, California, February 24 - 27, 2011 at Fisherman's Wharf, Monterey Bay**, including up to **16.2 hours of Category 1 credits** towards the *California Medical Association's* Certification in Continuing Medical Education and the *American Medical Association's* Physician's Recognition Award.
- Discounts off registration fees to the quarterly local Dinner Meetings of the SF Neurological Society. Each meeting is accredited for 1 hour of CME.
- Society **Meeting Announcements** are mailed and e-mailed prior to each scheduled meeting.

Categories of Membership

Active Member. Active membership shall be available to those physicians or scientists with an advanced professional degree who have valid credentials indicating their professional activity--either medical, investigational, or educational--whose professional activity is dedicated to the care and/or investigation of diseases or disorders of the nervous system. Active members shall be entitled to all of the privileges of the Society including the privileges of voting and holding office.

Associate Member. Associate membership shall be available to scientists of related disciplines, physicians in training, and nurses, in the neurosciences, whose contributions further the objectives of the Society. Associate Members shall be entitled to all the privileges of the Society except voting and holding office. Associate members shall be eligible to serve on volunteer committees.

*Please note that Industry Representatives do not qualify for SFNS membership at this time.

San Francisco Neurological Society

Membership Application

Date of Application: _____

Membership Category

- Active Member (\$100 per year)
- Associate Member (\$30 per year)

How to Begin Your Membership

Prospective members are encouraged to enroll online through the Society's secure online membership system. Please visit the Society's web site at www.sfneurological.org and click the "member enroll" button. You will have the option to pay by credit card or check. If you plan to send a check you may indicate that as the form of payment and will have the opportunity to print an invoice from the confirmation page. Alternatively, prospective members can print this form and mail the completed application with a check (made out to the *San Francisco Neurological Society*) to the SFNS office, 2226A Westborough Blvd. #409, South San Francisco, CA 94080.
