

## ***Thursday, November 1, 2007 SFNS Annual AIRD Dinner Meeting***

Hotel Nikko, San Francisco

The *San Francisco Neurological Society* is grateful for this opportunity to join with UCSF faculty and residents for this special dinner meeting which is part of the ***UCSF Dept. of Neurology's Robert B. Aird Visiting Professorship*** that was established in 1972. **Dr. Martin Samuels, MD, DSc (hon), FAAN, MACP** is currently the Neurologist-in-Chief and Chairman, Department of Neurology at *Brigham and Womens' Hospital* and Professor of Neurology at *Harvard Medical School*.

The *San Francisco Neurological Society* is very fortunate to have Dr. Martin Samuels as our guest of honor at the 2007 AIRD Lecture dinner meeting.

### **Who Should Attend?**

Neurologists, neurosurgeons, neuroradiologists, residents and other physicians interested in research and clinical advances in the neurosciences.

### **EDUCATIONAL OBJECTIVES:**

Upon completion of this lecture participants should be able to:

1. Recognize some of the important disorders in the interface between hematology and neurology
2. Analyze patient problems with neurological complications of hematological disorders
3. Initiate appropriate therapy for the major neurohematological disorders

**CME Credit:** 1 hour of Category 1 credit toward the California Medical Association Certificate in Continuing Medical Education and the American Medical Association's Physician's Recognition Award.

## ***Annual Meeting Update!***

**60th Annual Meeting of the SF Neurological Society**

March 14 - 16, 2008, Hyatt Regency Monterey, Monterey, CA

**Boldrey Lecturer: Robert J. Dempsey, MD**, Chair, Department of Neurological Surgery, *University of Wisconsin School of Medicine & Public Health*.

**Guest Movement Disorder Lecturer: Charles H. Adler, MD, PhD**, Professor of Neurology, *Mayo Clinic, Scottsdale, AZ* - **Dystonias and the "YIPS"**

**2008 SF Neurological Society Research Awards: Submission deadline**  
February 29, 2008

- **EDWIN BOLDREY AWARD**
- **HENRY NEWMAN AWARD**
- **KAISER AWARD**

## ***Mark your calendars!***

**December 3, 2007 SF Neurological Society Dinner Meeting** at the Soizic Bistro, Oakland, CA

Co-Sponsored by Kaiser

**Speakers:** Eric Collins, MD & Michael Gibbs, MD, KPMG, '**Myasthenia Gravis: Thymectomy Point-Counterpoint**'

Neuromuscular disease in general is a field with a paucity of evidence-based practice. Neuromuscular specialists tend to practice based on personal experience, anecdotes from respected colleagues of choice, and bias from their particular educational institutions. **Dr. Eric Collins** and **Dr. Michael Gibbs** will have a spirited discussion on the proper diagnosis, treatment, and management of myasthenia gravis. **Available scientific data will be presented to bolster various viewpoints. All those with opinions on the subject are welcome to enter the fray.**

**January 15, 2008** at the Hyatt Vineyard Creek, Santa Rosa, CA

**Speaker:** Eldan Eichbaum, MD, '**Management of Thoracolumbar Fractures/Trauma**'

We look forward to seeing you soon. Please feel free to forward this calendar of meetings to your colleagues.

Always,

Robyn G. Young, MD  
President

**Members Save \$10 - \$75  
off meeting registration fees**

## **Statement of Commitment to Continuing Education**

The San Francisco Neurological Society is an organization of physicians with a dedicated interest in the clinical neurosciences. The Society is committed to the continuing medical education of its members and has an obligation to its members and to the public to provide ongoing educational programs designed to improve patient care and foster scholarly activity in the neurosciences. This obligation includes not only imparting to the membership an increased understanding of neurological diseases through lectures on clinical and basic research, but also making them aware of community and public health issues related to neurological illnesses and preventive medicine. The Society is a CMA-accredited provider. Physicians attending this course may report up to 15 hours of Category 1 credit toward the California Medical Association Certificate in Continuing Medical Education and the American Medical Association's Physician's Recognition Award.
