

SAN FRANCISCO NEUROLOGICAL SOCIETY

Annual Aird Dinner Meeting—Tuesday November 9, 2010

Hyatt Regency – Embarcadero Center San Francisco, 5 Embarcadero Center, San Francisco, CA

“Myths in Parkinson's Disease”, Yves Agid, MD, PhD

Institut Fédératif de recherche en Neurosciences at the CHU Pitié-Salpêtrière, Paris, France

Professor Agid has spent most of his medical career at the Pitié-Salpêtrière University Hospital in Paris where he is Professor of Experimental Medicine and Cell Biology. He has a long and distinguished career and has held many high profile positions including amongst others Director of Inserm U289 laboratory, Chairman of the Institute of Neurosciences, Chairman of the Institute of Neurology at Salpêtrière, President of the French Society of Neurology, President of the Scientific Council of Fondation pour la Recherche Médicale. Professor Agid has published more than 600 articles. He is the most cited French neuroscientist in the last twenty years and is the second most cited author among all French scientists. His primary research interests are in developing a better understanding of the causes and mechanisms of cell death in neurodegenerative diseases.

Accreditation Statement: This San Francisco Neurological Society is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The San Francisco Neurological Society takes responsibility for the content, quality and scientific integrity of this CME activity.
